

COLOR SYNONYM CHART

You're stuck in a four-color comic book world. I'm here to get you that extra-large 64 crayon box that your mom wouldn't buy because it's too expensive.

You Wanna Say...	HERE'S SOME COOLER WORDS
RED	Crimson, cherry, persimmon, rose, scarlet, brick, fiery, maroon, burgundy, garnet, wine
ORANGE	Apricot, flame, marigold, rust, sunrise, coppery, terra cotta, tangerine, ginger, clay, carrot
YELLOW	Amber, blond, buttery, canary, dandelion, goldenrod, honey, mustard, straw, sunflower, golden, lemon, corn, daffodil
GREEN	Alligator, apple, turquoise, avocado, chartreuse, khaki, olive, emerald, grassy, ivy, jade, mint, moss, pine, verdigris, seafoam, fern, pine
BLUE	Lagoon, aqua, azure, ultramarine, cobalt, cornflower, cyan, glacial, midnight, robin's egg, slate, sky, ocean, arctic, sea, indigo
PURPLE	Fuschia, aubergine/eggplant, violet, lavender, lilac, mauve, plum, royal, periwinkle, grape
PINK	Salmon, magenta, rosy, blush, carnation, peach, sunset, coral, watermelon

FINE ROUND

PRINCESS

HEART

PEAR

RADIANT

BRILLIANT

TRILLION

CUSHION

SQUARE

EMERALD

Go crazy. Release your inner purple prose. Give the world lush detail. Combine these charts. Don't just say, "The sword is encrusted with green jewels," or even, "The sword is encrusted in green fluorite gems." Instead, say, "The sword is encrusted with pear-cut fluorite gems the color of fresh apples."
